Chief, Procurement Management Staff, DDS&T

SUBJECT:

Contracting Support for FBIS, FY 1983

REFERENCE:

Memorandum for Director of Logistics from  
Director, FBIS, dated 5 November 1982;  
Subject: Contracting Team for FBIS [REDACTED]

25X1

1. The DDS&T, the Director of Logistics, and the Director of Research and Development have agreed to establish the ORD Contracting Team as the principal support element for FBIS's modernization contract undertakings during FY 1983.

2. The support to be rendered by the Chief, Contracts Staff, ORD will include all aspects of the contract cycle in the manner and to the extent that support is rendered to ORD on their contract efforts. We understand that the COTR for the modernization segment of FBIS's requirements will be

[REDACTED] and he is established as the principal point of contact with Contracts Staff, ORD. Chief, Contracts Staff, ORD has been instructed to keep me advised of the activity involved in order that I may determine whether or not this arrangement will facilitate FBIS's needs without acting to the detriment of the required ORD contract support.

25X1

3. I hope that this arrangement meets with your approval. In any event, we will reevaluate the efficiency of this activity commencing FY 1984.
